Rene Vishney

CEO/Chairman and Founder at AWARD Software (PC BIOS)

I have known Rene since Fairchild Semiconductor MIS, he was a Sr Systems Analyst, I was a IBM System Programmer, he asked me to join him at Caelus Memories, Inc. the first outside manufacturer for IBM Disk Packs for 2311 and 2314 DASD Drives. Several years later he called and asked me to be a Acting VP Sales on a Independent Sales Rep - commission only basis, for his company Award Software, Inc. to sell Award ROM BIOS to IBM PC clones. Phoenix Technology, Inc. had all the major PC manufacturers and was the major player at that time. Rene is a focused, highly intelligent Chairman, CEO for the Software Industry and a life long Mentor... He is one of the very best CEO's I have worked for. *January 12, 2013*

Gordon (VP Sales at Award Software, Inc.) reported to Rene at AWARD Software (PC BIOS)

Gene Weeks

Business Owner/ General Manager at Thunder Performance Marine Service

I met Gene via Dick Lazzara, Gene was the Team Manager for Team Lazzara, and TalkStory Offshore Racing, and owner of the Thunder Performance Marine Service. Gene Weeks, is an awesome personality, and super hard working, highly intelligent businessman. He knows most people in the Yachting and Boating industry and is well respected. I trust him and know you will also. He always reminded me of Steve McQueen... *December 28, 2012*

Gordon (Director, Acting Chairman at APBA Offshore Racing, LLC.) was with another company when working with Gene at Thunder Performance Marine Service

Michael Schenk

Senior management at Lazzara Yacht Corp

Mike runs the Lazzara superstructure and interiors for Lazzara Yachts, his division makes Lazzara the most beautiful interiors in the yachting industry. Michael also was the Crew Chief of Team Lazzara, a perfectionist and a wonderful man to know... Howdy cuz. *December 11, 2012*

Gordon (Chairman, CEO, founder at TalkStory Offshore Racing, Inc.) worked with Michael at Lazzara Yacht Corp

ides for the brand, and I highly recommend
5, 2012

Donald Harris

VP Sales at Transparent Data Systems

When I owned GKE Software I helped Skip Barkis sell Transparent Data Systems to Condor Computer Corp, that was in 1983? *November 17, 2012*

Gordon (Founder, Chairman, CEO at GKE Software) worked directly with Donald at Transparent Data Systems

Donald Harris

CEO at TSG promotional marketing

TSG - The Sandusky Group... When I owned GKE (Gordon Kraft Enterprises) Donald was VP Sales, Jim Stewart was VP Operations, I rented a office near Ingram Micro a large distributor, when I went there to see how sales for CONDOR was going, he had two guys living in the apt. selling Floppy disc's and crap - I said what is this? I admit I was angry since I was paying for everything, including a rental car... Don say's hey Kraft I did it for us since were from Sandusky... I fired Donald. *November 17, 2012*

Gordon (Founder, Chairman, CEO at GKE Software) managed Donald at TSG promotional marketing

Gene Weeks

Director of Field Service & Offshore Race Coordinator at Lazzara Yacht Corp

I owned the Team Lazzara APBA Offshore F2 race boats, and Team Lazzara was my Sponsor, truely a Lazzara Style experience, with one of the Greatest Yacht manufacturers, I purchased a Lazzara 76' and asked Dick Lazzara if he would Sponsor my race boat if I bought one. Team Lazzara hired Gene Weeks to run the Team, Gene did a awesome job ... Work with the best and win. *November 13, 2012*

Gordon (Chairman, CEO, founder at TalkStory Offshore Racing, Inc.) was with another company when working with Gene at Lazzara Yacht Corp

Gene Weeks

Business Owner/ General Manager at Thunder Performance Marine Service

Gene Weeks is a awesome personality and great individual that works tirelessly on goals and objectives in the Boating Industry. I highly recommend Gene. *November 13, 2012*

Gordon (Chairman - Angel Investor at Thunder Marine Service Corp.) managed Gene indirectly at Thunder Performance Marine Service

Elaine Motl

Race Producer at East West PowerBoat Shoot-Out!!

Elaine was World Class and ran the Corpus Christi APBA Offshore Races very well. Driven, smart, and knowledgeable about Event Marketing. I highly recommend her. I owned the Team Lazzara Offshore Race boats. Corpus Christi is a excellent race site for Offshore Racing. *October 28, 2012*

Gordon (Director, Acting Chairman at APBA Offshore Racing, LLC.) was with another company when working with Elaine at East West PowerBoat Shoot-Out!!

Elliott Lowe

Vice President of Marketing at DiagSoft, Inc.

Elliott is a top notch super dedicated hard working VP Marketing, period. *October 16, 2012*

Gordon (Founder, Chairman, CEO at DiagSoft, Inc.) managed Elliott at DiagSoft, Inc.

[23 people have recommended Elliott »](#)

Steve Smoot

President/CEO at Teknosys, Inc.

Steve is a genius, a Expert Witness and Forensic Scientist and a Mac Expert. His HELP! product was a Sysinfo type of product for the Macintosh, and we tried to acquire Technosys back in the day, his investors owned a Country Club, Father and son, and I thought a perfect fit, but the deal didn't happen. I highly recommend Steve if you want a Macintosh internals expert, or Expert Witness. *October 10, 2012*

Gordon (Founder, Chairman, CEO at DiagSoft, Inc.) worked with Steve at Teknosys, Inc.

Donald Harris

VP New Business Development at Diagsoft, Inc.

Donald has been my friend since early 80's and is one of the smartest guys I have ever met. He will understand any conversation or topic in Nano Seconds... We had a Angel Investment meeting at the Marco Yacht and Sail Club, and Don say's hey Kraft what they have is a Star Trek TriCorder... Instantly I understood what they were trying to explain... During his part of a presentation at Tandy Corporate with about 30 VP's of Tandy, he starts walking back and forth on the small stage and say's the Pyramid's were built using a Cubit, a unit of measurement, and QAPlus is the unit of measurement of PC Quality... I crapped myself. He is a genius, and a good man. *October 3, 2012*

Gordon (Founder, Chairman, CEO at DiagSoft, Inc.) managed Donald at Diagsoft, Inc.

scott pearson

Founder/CEO at Scott Pearson Photography, Inc.

I know Scott from our annual Lazzara Yacht Club (Ocean Reef Club, Fisher Island, etc.) meetings and the awesome Lazzara Calendars. Scott works help Save the Oceans. A EXPERT in dramatic imagery, if you need a Pro Photographer or video, no one exceeds Scott. If you want to succeed hire the best. *September 25, 2012*

Gordon (Director, Acting Chairman at APBA Offshore Racing, LLC.) worked with scott at Scott Pearson Photography, Inc.

Krystle E. Kraft

Secretary/Treasurer at Diagsoft, Inc.

After she left, everyone said, where is Krystle, we miss her... *September 19, 2012*

Gordon (Founder, Chairman, CEO at DiagSoft, Inc.) managed Krystle E. at Diagsoft, Inc.

Bob Bob Petty

Self at Beach front r v resort

Bob has always had a smile and gift of being a Entrepreneur at Unemployment Beach... I remember driving up and down the beach, when he stops to show me a Mail Box on a 4x4 post next to a Chrysler Station Wagon at the water's edge. With some beer cans sticking out of the trash barrel. I thought what a great idea, put up a mail box and wait for a job offer... *September 16, 2012*

Gordon (Director - Angel Investor at Starpower) worked with Bob at Beach front r v resort

John Brown

Software Engineer at DiagSoft

John Brown is a brilliant and competent Software Engineer you will see him working "tirelessly" in our DiagSoft COMDEX 92 video. I highly recommend John. *August 4, 2012*

Gordon (Founder, Chairman, CEO at DiagSoft, Inc.) managed John indirectly at DiagSoft
