

# The EDU Plan

# Entrepreneurs Dev Univ

EDU is the Core

revised

# Overview Summary

# EDU Plan

My EDU Plan will utilize OLD People to assist Young People...

We need to Educate our People...

For FREE (almost free), at the cost of a six-pack a Week...

need a small income in addition to SSA...

We need Incubators that Really "Helps People Help Themselves" ...

These Incubators Need A "Venture Capital Company" ...

These Incubators Need "Zero Gravity Legal Services" ...

These Incubators Need to MAKE MONEY!

These Incubators Need Accounting Services...

These Incubators Need G5 or FIBER INTERNET to Every Person in America... No Matter How FAST it is, it isn't Fast Enough moto...

These Incubators Need Marketing Services...

These Incubators Need to "Focus on Global Warming"

We need to build Homes that won't Blow Down, or Burn Down...

I Expect a Fund of \$3 Billion... I won't come out of retirement for any amount less...

Here are some of the Projects we Need to Make Happen:

# EDU is partial Concept

- Education
- Pretty much free - it Costs about a Six-Pack a week
- Incubators - for Profit - 70% Incubator - 30% Client
- Buy Companies - Rent Space
- Real Estate

# the Story

Hire Old People

# When you hire 55+

You have an unused workforce

That has all the Skills Needed

# Old People

- Are going to have to Go back to WORK
- SSA is running out
- We need to Fund the OLD PEOPLE

# Board of Directors

- Determine Projects
- Use Websites to Promote
- Hire Key Employees

# **My History**

# DiagSoft, Inc.

- Was my previous company, the creator of “QAplus family”.
- I attended the Aloha on Tour with the Governor of Hawaii to Hong Kong and Taipei...
- My Investor to DiagSoft was “Intel Corporation”.

# Sykes Enterprises, Inc.

- Using the “Pooling of Interest Method of Accounting” to acquire DiagSoft.
  - I was then a Shareholder of Sykes and owned 100% of DiagSoft.
- 
- And paid “no” TAXES because I lived in Florida...

# **How are we going to use the Venture Capital**

(because the Client Companies Need Funding)

# What to spend money on?

- Education - buy a K12 courseware, modify the courses to utilize Playstation Gaming, IOS, Android, technique for courseware to create an “enjoyment of learning” ...  
Flutter... Animation...
- Like a Video Game company, ~~maybe buy Aspry, or EA Games - Partnership~~
- ~~You have to spend money to make money...~~
